## MISSION

To provide exemplary leadership through social advocacy and legislation, advance cultural awareness and competence across communities, promote excellence in research and practice, and support professionals engaged in the employment and independence of individuals with disabilities.

---

## VALUES

Strive to advance the professional practices of rehabilitation driven by culturally-competent, ethical, evidence-based and accountable practices so that individuals with disabilities would be regarded and valued as full members of our society.

NRA draws strength from the unique training, education, and credentialing of our diverse membership

---

NRA values collaborative partnerships and relationships

---

NRA is comprised of counselors, educators, researchers, and diverse agents of community integration

---

Joining NRA automatically provides access to NCRA and gives you options to join linked associations, such as Leadership, Evaluator, and Multicultural Associations
